

## L2SNR CHOICE LED Slim Strip with Round Lens

The L2SNR CHOICE series showcases a slim profile, allowing for installation in tight and restrictive spaces. Benefit from high-performance light output without sacrificing smooth and uniform lighting. With its classic round lens design, the L2SNR CHOICE series is the perfect choice for a wide range of commercial and industrial applications.

### ■ Color and Power Selectable

An all-in-one LED strip light solution offering ultimate versatility, with the ability to change the color temperature (3 500/4 000/5 000 K) and lumen output for a variety of projects and application. An ideal solution for reducing stocking inventory.

### ■ Easy Installation

Quick and easy to install thanks to the innovative and lightweight design. Included in every box is a junction box cover for a polished result every time.

### ■ Available in 2', 4' & 8'

With multiple luminaire length options, the L2SNR is ideal for a variety of commercial and industrial applications. Take advantage of the DLC Premium listing for maximum rebates!
