

L2SSQ LED Slim Strip

The L2SSQ series showcases a slim profile, allowing for installation in tight and restrictive spaces.

Benefit from high-performance light output without sacrificing smooth and uniform lighting. With its sleek and modern square lens design, the L2SSQ series is the ideal choice for commercial, industrial, and retail applications.

■ Color Selectable

Versatile LED strip luminaires with the ability to adapt to the colour temperature (3 500/4 000/ 5 000 K) for a variety of projects and applications. A single SKU can now replace up to 6 individual luminaires - a distributor's best friend!

■ 120-347 V

Say goodbye to stocking both 120-227 V and 347 V configurations and never worry about sending the wrong voltage to a job site - our drivers function automatically between 120 V and 347 V.

■ Square Lens Design

Whether surface, suspended or row mounted, the L2SSQ provides a modern aesthetic with its straight edge profile. The sleek form factor makes it an appealing choice that can be used across multiple applications.

L2SSQ - At a Glance

Aviation Cable Kit (Sold Separately)

For suspended applications, our aviation cable kit combines both style and function for a finished look. This all-in-one kit includes 10 feet of aviation cable, power cord, dimming wires, and a canopy for the junction box.
