

DISK LIGHT - CLDK LED CEILING LUMINAIRE 5 CCT Selectable

The LED Disk CLDK combines exceptional light output with a traditional ceiling look. Installing them directly into a junction box, this fixture is versatile and will fit a variety of residential and commercial applications.

■ Color Selectable

Enjoy the ability to customize your lighting needs between five distinct color temperatures (2 700/3 000/3 500/4 000/5 000). Create a comfortable ambiance that is conducive to the tasks you need to perform. These fixtures can also be dimmed for additional ambiance and energy savings!

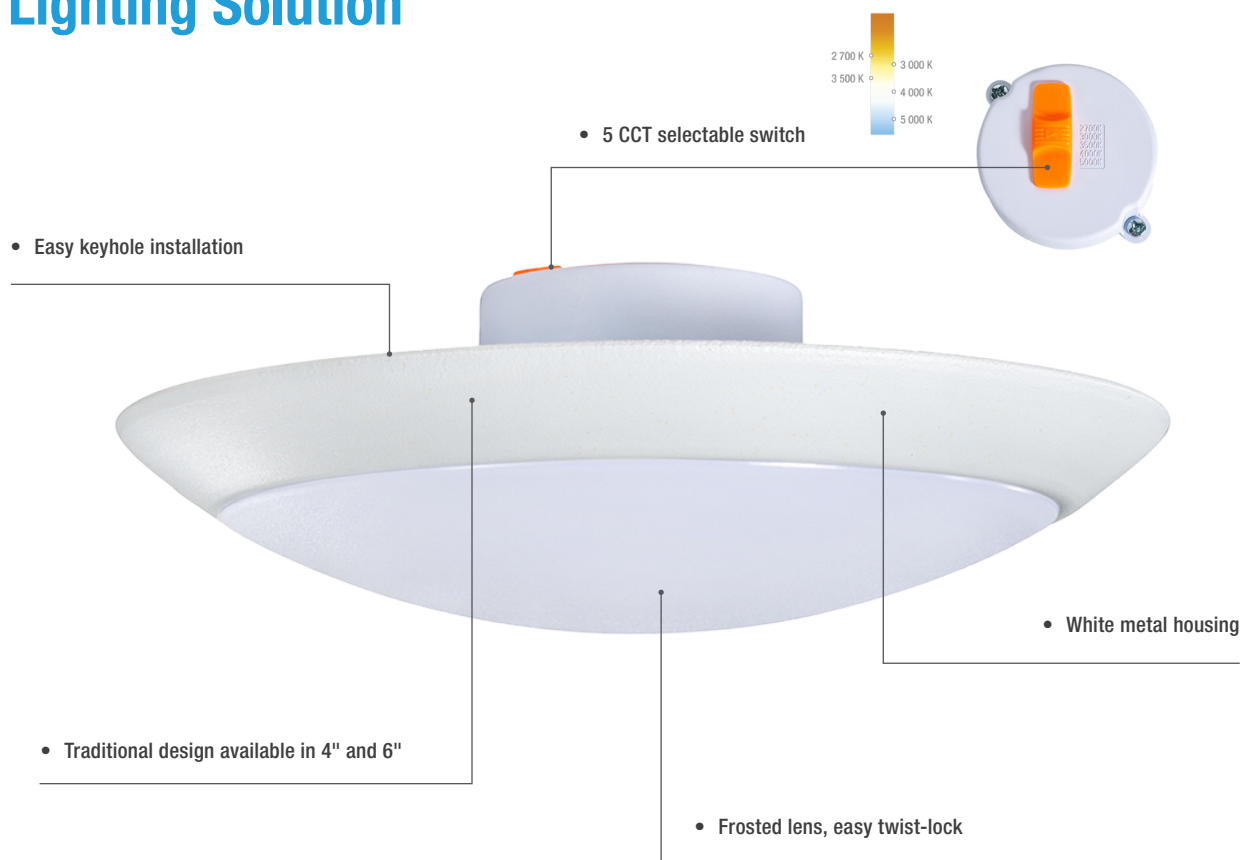

■ Mimics an LED Downlight

Installing them directly into a junction box, the CLDK luminaire provides exceptional light output while mimicking the look of an LED downlight. Perfect for restricted spaces, low ceilings and on concrete material.

■ Easy and Quick Installation

The CLDK disk light offers a housing with built in keyhole slots and twist-lock lens making it a quick and simple installation.
