STANPRO | C CHOICE

IFG CHOICE
Under Canopy and Garage Light

The IFG is an efficient under canopy and garage light. Equipped with the latest in LED techology, this luminaire allows the user to control the color temperature and power via internal field adjustable switch. This series comes smart ready with its pre-installed sensor receptacle which makes it a great addition to any commercial or industrial application.

G SMART READY

3 CCT TCC — 3 000/4 000/5 000 K

W power selectable

DLC LISTED PREMIUM

■ Color and Power Selectable

An all-in-one LED security light solution offering ultimate versatility, with the ability to change the color temperature (3 000/4 000/5 000 K) as well as the lumen packages to meet the needs of a variety of projects and applications. An ideal solution for reducing stocking inventory.
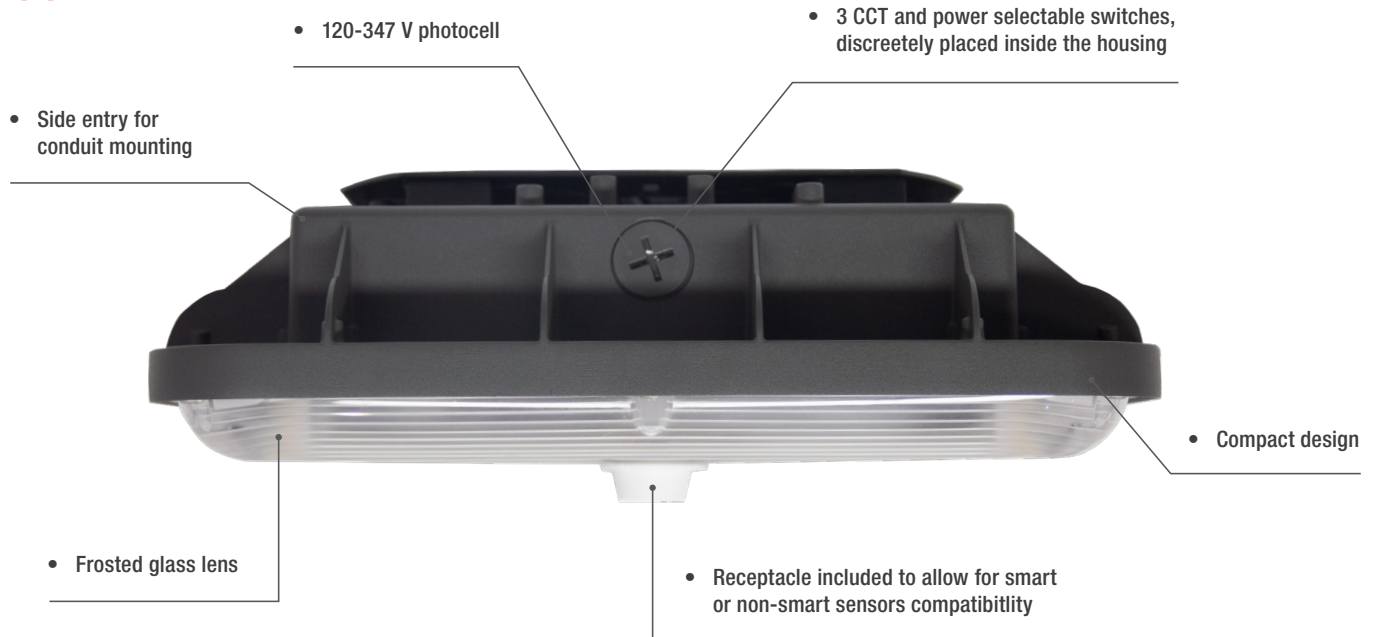

■ Smart Ready

With a neatly integrated in the center of the fixture sensor receptacle, smart and non-smart PIR and high frequency sensors are easy to install and operate.

■ Photocell Included

An on-off photocell is integrated inside the luminaire and can be easily enabled.
