■ Color selectable and easy OFF

With an integrated 5 color temperature selection (2 700/3 000/3 500/4 000/ 5 000 K), our FLUO LED undercabinet luminaire is a versatile solution that allows to choose the color temperature that is right for the designated space. For convenience, the ON/OFF switch is available on 14", 23", 35", and 47" luminaires.

■ Size options for every application

Available in a variety of sizes, the FLUO LED undercabinet luminaire will fit any type of applications including cove, shelves and task lighting. Opt for the 10" luminaire to meet needs for smaller application spaces.

■ Seamless installation

Simple surface mount installation; each slim bar includes an end-to-end connector to create a seamless run without interruption. Up to 300 W can be daisy chained.
