■ 5 CCT Selectable

All in one solution with integrate 5 color temperature selection (2 700/3 000/3 500/4 000/5 000 K). The color temperature can be changed at any time with a simple switch installed at the back of this fixture.

■ Dual installation

Vivio can be used as a retrofit solution in an existing recessed housing or surface mounted directly onto an octagon junction box. Can also be fire-rated when used in a fire-rated octagonal junction box.

■ Black trim option

Available with a white finish and can be modified at any time with a black magnetic finish sold separately.
