

STANPRO

2025 CONTRACTOR GUIDE

ABOUT US

Stanpro is one of the largest Canadian lighting companies and continuously aspire to offer innovative lighting solutions to the North American market. It is the result of an official merge between Standard Products Inc. & Stanpro Lighting Systems on January 1st, 2020. The corporate name of the new entity is now STANDARD PRODUCTS INC. while our corporate brand is STANPRO™.

VISION

We will make our world better by manufacturing and promoting products that are a benefit to society and by being an integral and empathetic organization that cares for and supports our team members, business partners, and the community that we are a part of.

MISSION

Develop and manufacture products that advance life safety, drive energy efficiency, improve productivity, reduce waste, and support visually pleasing environments.

STANPRO

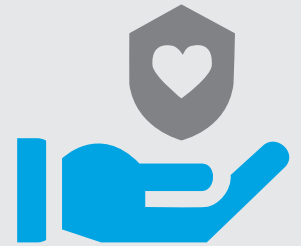

OUR VALUES

CORPORATE QUALITY POLICY

The management of Stanpro is committed to constantly provide products that meet or exceed the requirements and expectations of our customers while at the same time making the company successful. Stanpro's target is to maintain and improve the quality through programs that enable employees to do their job right the first time and use the best suppliers that share the same values.

Stanpro's management is dedicated to its customers, employees and safety.

Under the observance of the above, customer satisfaction is the company's main priority: we want to be our customers' preferred supplier.

WE WOW THE
CUSTOMER

- We care.
- We believe in partnering.
- We are easy to work with.
